

Share the Belief. Build the Future!

Through our Campus Project, St. Stanislaus Parish will continue to meet the growing needs of our present and future parish families.

Project Overview

The Parish Campus project was begun to address a gap between the needs of the Parish family and the facilities available to us. Our new Parish Center will meet the needs of a growing parish.

PARISH OFFICES

The new center will provide secure, functional office space, including dedicated space for the Parish nurses.

MEETING SPACE

Sufficient, modern meeting space will help the organizations of our parish collaborate more effectively, supporting the work of these groups.

LIBRARY

The new library will provide resources for growing in faith & nurturing a sense of community.

BANQUET HALL

The new Parish hall will support large gatherings, including the Parish picnic, funeral luncheons, senior gatherings, and banquets which previously required renting private spaces at a cost of thousands of dollars per year.

LANDSCAPING

The closing of Grant Street and the subsequent landscaping will provide a safe, accessible area for students and parishioners

PARKING

Demolition of the existing high school building will add needed parking for the parish. The number of handicap parking spaces will also be increased.

THE FUTURE

Future phases of the Campus Project will add front-entrance handicap accessibility and air-conditioning to the church, ensuring a more inviting environment and promoting attendance, especially in summer.

Financial Overview

Building a community of faith is an ongoing process, not a one-time event. Achieving the goals of the Parish Campus Project is impossible without the generosity and support of our Parish family and friends.

There are several ways to contribute financially to the project, including one-time gift(s), memorial gifts, designated donations through a will or trust, support for Capital Campaign fundraisers and activities, and starting this fall, a Three-Year Pledge.

For registered St. Stanislaus Parishioners, purple envelopes included with your church offering envelopes make paying on your Pledge or making a donation simple.

Additionally, Catholic Federal Credit Union members can take advantage of a matching gift program, doubling your contribution to the Parish! Contact the Parish Office for more information on this program.

Donations to the Parish Campus Project are tax deductible.

Get Involved!

Successfully completing any project of this size requires the hard work and dedication of a great number of people. If you would be interested in helping with the project through the Capital Campaign committee, contact the Parish Office.
